Ideas for your activities

Truffle hunting experience

A unique experience for everybody: for wine and food lovers and for nature life lovers, to approach and live the marvelous and secret world of truffles in Tuscany. A fully licensed truffle hunter with his dog, will share with you his knowledge and experience in a funny but informative program on the world of the Tuscan truffle. After this wonderful experience, you will taste the truffle that you hunted

Customise your fragrance

With the great help of an awarded master perfumer of Florence you will compose your precious unique blend, containing your favourite scents and aromas.

Make your own wine

This unique, original experience will allow you to create your own wine with the help of expert oenologists when visiting some of the best wineries of Tuscany, choosing amongst different grapes and creating your own customised bottle with cap and tailor-designed label.
